A Message from Ron: Summer Heat & Car Care

Mid-summer heat can be tough on your vehicle. If your A/C isn't keeping you cool, it might be time for a check-up. Your coolant system also works overtime this time of year—don't wait for signs of overheating. And with the roads heating up, it's a good idea to check your tire pressure and alignment to stay safe and get the best mileage.

A little mid-summer maintenance can save you a lot of trouble down the road. Stay safe and stay cool out there!

— Ron

Holidays & Announcements

Summer is flying by, and we want to wish everyone a safe and happy Fourth of July! We'll also be closed on Monday, September 1st for Labor Day, so be sure to schedule ahead if your vehicle needs attention before the long weekend.

And for our fellow Wolverines—It's almost that time again! Customers are welcome to use our parking lot for free on Michigan game days! It's just one more way we say thank you and support the local community.

As always, we appreciate your business and hope you enjoy a safe, fun, and sunny end to the season!

Tinkerbell's Corner

Tinkerbell is loving the summer sunshine—soaking it up during her breaks and keeping the team company at the shop. As the weather heats up, it's a good reminder to never leave pets in a hot car, even for a short time. Summer can be fun for everyone, as long as we all stay safe and cool!

Seasonal Service Spotlight

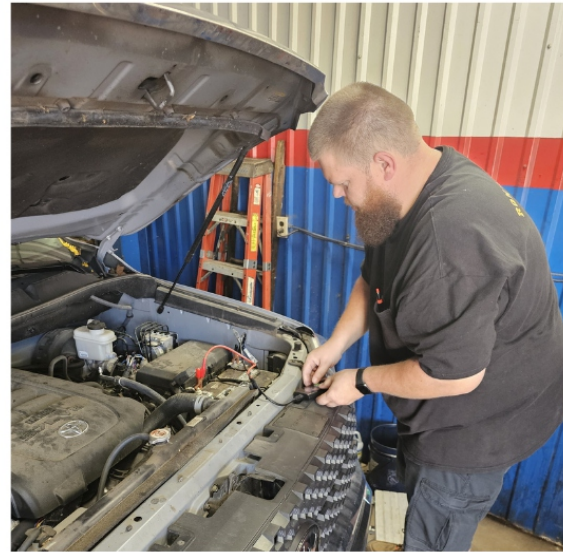

Summer road trips and stop-and-go traffic can take a toll on your vehicle. This season, we're highlighting three key services to keep things running smoothly:

Transmission Flush – Helps prevent shifting issues and extends the life of your transmission, especially after heavy summer driving.

Brake Inspection – Ensures your brakes are in top shape for safety and performance, whether you're cruising highways or navigating city traffic.

Fuel System Cleaner – Improves fuel efficiency and engine performance by removing buildup from fuel injectors and intake valves.

Stay ahead of wear and tear with preventative care you can count on!

Back-to-School Vehicle Inspection Special!

Take advantage of our Back-to-School Vehicle Inspection Special starting August 1st, normally \$179.99, now only \$129.99*! This comprehensive inspection covers the essentials to help keep your car running safely and reliably through the school year.

Bonus for Students: With every completed inspection special, students will be entered to win a Car Care Essentials Kit, perfect for peace of mind on or off campus! Plus, take advantage of these extra savings:

- Pick Your Discount: \$20 off any service over \$100
- Free Wiper Blades (chosen by our team) with any oil change service
- 10% Off Any Fluid Flush

Schedule your appointment today and head into fall with confidence!

Stephanie's Secrets to Great Customer Service.

Stephanie has been part of the Ron's Garage team for almost six years, and she continues to set the bar high when it comes to customer service. Her approach is simple but impactful—she greets every customer with a smile, whether it's in person or over the phone, and takes the time to really listen. Stephanie believes in making sure every customer feels cared for, never rushed, and never forgotten. It's this thoughtful, people-first attitude that makes her such an important part of our team and a friendly face (or voice!) that our customers have come to trust and appreciate.
