

RON'S GARAGE QUARTERLY NEWSLETTER

A Message from Ron

"One thing I've learned after more than four decades in this business is that the best repairs are often the ones that never become emergencies.

Taking care of small concerns before they become major problems helps keep vehicles reliable and can often save money in the long run.

Our goal has always been to provide honest recommendations, quality repairs, and the information you need to make the best decisions for your vehicle. We appreciate every customer who places their trust in us."

- Ron

Tinkerbell's Corner

Tinkerbell has been making the most of summer and recently enjoyed some time out on Ron and Cindy's pontoon boat. When she's not spending time at the shop as the official mascot of Ron's Garage, she enjoys soaking up the sunshine and relaxing in the water with her Mom and Dad. Whether she's in the office or enjoying a summer day on the lake, Tinkerbell continues to bring a little extra personality to the Ron's Garage family.

SEASONAL HIGHLIGHTS

Summer is a busy time for many drivers. Between vacations, family gatherings, weekend adventures, and preparing for the return of school schedules, vehicles often accumulate more miles than any other time of the year.

Whether you're planning a road trip across Michigan or simply relying on your vehicle for everyday transportation, now is a great time to make sure everything is operating at its best.

Football season is right around the corner! The first Michigan home game of the season is September 5th, and as always, our customers are welcome to use our parking lot on Saturdays for game day parking. We simply ask that all vehicles be moved before we open for business on Monday morning at 7:00 a.m.

Important Dates This Quarter:

- Independence Day - July 4th
- Labor Day - September 7th (Closed)
- Back-to-School Season - August and September
- First Michigan Home Football Game - September 5th

As always, we appreciate the trust you place in our team and look forward to helping keep you safely on the road.

Seasonal Service Spotlight

Summer driving can place additional demands on your vehicle, especially during longer trips and periods of hot weather. A few areas we recommend paying close attention to this time of year include:

Cooling System Performance

Your cooling system helps regulate engine temperature and prevent overheating during hot summer months.

Battery Health

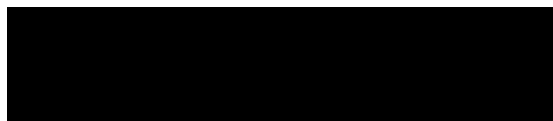

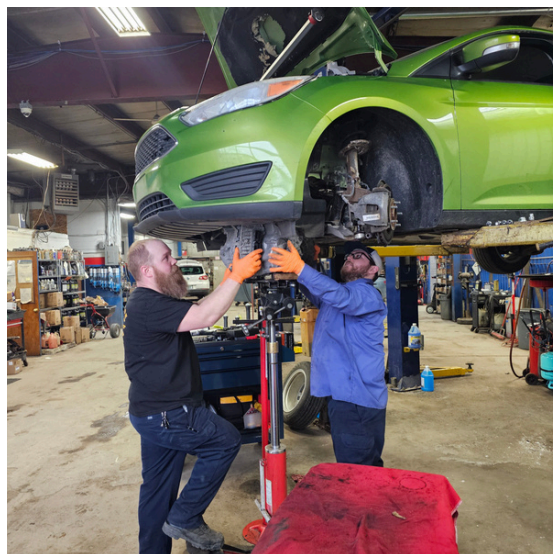

While many people associate battery problems with winter, high temperatures can also shorten battery life and reduce performance.

Tire Condition and Pressure

Proper tire pressure and adequate tread depth help improve safety, fuel economy, and overall vehicle handling.

Brake Performance

Whether you're heading out on vacation or commuting every day, dependable brakes remain one of the most important safety systems on your vehicle.

WHAT'S HAPPENING THIS QUARTER

We've got some exciting things planned throughout the quarter and look forward to celebrating with our customers!

July – To celebrate America's 250th birthday, we'll be offering scratch-off savings, a patriotic candy guessing game, and anyone who spends over \$250 is automatically entered to win a \$250 VISA giftcard.

August – Back-to-School Savings. As families prepare for a new school year, we'll be featuring special promotions and savings to help keep your vehicle ready for busy schedules and daily commutes.

September – Customer Appreciation Month. We're ending the quarter by celebrating the customers who make Ron's Garage what it is today. Watch for special savings, giveaways, and other surprises throughout the month.

EMPLOYEE SPOTLIGHT – BEN

This year marks an incredible milestone for one of our team members. Ben joined Ron's Garage on June 20, 2006, and is celebrating 20 years with the company. Over the past two decades, Ben has helped thousands of customers keep their vehicles safe and reliable. His experience, attention to detail, and commitment to quality workmanship have made him an invaluable member of our team. In an industry where experience matters, Ben's knowledge and dedication help ensure that every vehicle receives the care it deserves. We are grateful for everything Ben has contributed to Ron's Garage over the last 20 years and look forward to many more years working together.
